Dear colleagues, friends

This Polish non-governmental organization is a confidential organization; it is in close connection with Juri, another wonderful colleague from Lviv, who established a net for UA people to be able to cross borders. (Juri is also the director of Doroga, a house for addicted people in the Lviv region.) I know Dorota; she will use the donations in accordance with Juri!

Juri wrote today, 28.2.22:

This is the foundation of our friend Dorota Tkaczyk, from Lublin that you know who works with children and teenagers addicted to drugs and alcohol

The appointment must have such a signature, because otherwise we will not be able to collect help. But in fact, in addition to the funds needed to support our clients from the east, they will also be used for everyone who needs them: internally displaced families, defenders.

I would be glad that you support Dorota and Juri's wonderful and so needed work!

God bless us and that peace is back, very soon
